2. Merchandise

Merchandise can only be sold at the Dealer’s attributed space.

The Dealer must provide the Organizer with a complete and integral list of all merchandise they intend on displaying and selling at the Event. The Organizer shall review and return said list, with approved, disapproved indications or other specifications, within thirty (30) days from reception.

The Dealer may provide an addendum modifying the list to the Organizer. The Organizer reserves the right to unilaterally refuse any or all addenda received after June 7, 2026.

The Organizer reserves the right to remove any merchandise and material at the Venue, without notice, that was not approved and provided for in said list.

Products sold may be imported, mass-produced, self-produced or otherwise obtained, but must comply with Otakuthon's anti-bootleg policy, as well as respect all requirements outlined in section 5 of the present contract.

3. Important information

3.1. Adult Merchandise

As a reminder, Dealers are not allowed to sell any type of 18+ merchandise which sexualizes children. This also includes teenagers and adults that physically look like a child.

Additionally, the coverage of private parts shall be strictly applied and completed during setup times, before attendees enter the Exhibition Hall. Partial coverage of private parts is not sufficient, the entirety of said parts must be fully covered. Should a product not be covered properly, Otakuthon reserves the right to remove the merchandise immediately and without further notice.

3.2. Shared Spaces

It is no longer possible to share a single space between two (2) or more separate Dealers in order to fill the space provided. Each Dealer must either have a separate space reservation and request to be next to each other or have multiple spaces within the same reservation. Should the reservation be for two (2) or more spaces and there are only two (2) Dealers for instance, it will then be possible to share the spaces. However, in such cases, Dealers must request confirmation of the Dealers' Area team before being allowed to share several spaces.

3.3. Dealer Entry Access

During opening hours, the door giving access to the loading dock and elevator on the other side of the Subway restaurant will be closed. This door will only be accessible during setup and teardown hours once all participants have left the Exhibition Hall.

3.4. Non-Mandatory Wi-Fi Connection

Due to numerous cellular data issues that occurred in previous years, each Dealer is required to purchase one (1) Wi-Fi connection. Thus, an additional charge of \$75 will be

charged to you, over and above the price of your space for this connection. However, this connection can be removed from your reservation should you request to opt out of it to the Dealers' Area team before July 18, 2026.

This connection will only be usable on one (1) device and will be given to you in the format of a single-use coupon, for the duration of the convention.

Please note that it will be possible to order additional connections with us for the price of \$75 per additional connection, as long as this is ordered before July 18, 2026. After this deadline, this Wi-Fi package will no longer be available and you will be required to order connections directly with the Palais des congrès de Montréal.

Please note, that this connection only works on devices accepting 5 GHz.

4. Dealer Information

4.1. Dealer Space Rates

Dealers must be physically at their respective spaces and check-in with the Exhibition Hall staff no later than 9:00 on Friday or their space will be considered abandoned. Otakuthon reserves the right to reassign the space without further notice, compensation or refund.

Each Dealer space includes two (2) 6 ft. tables, two (2) chairs and two (2) Dealer badges at no extra charge. Additional tables (6 ft. or 8 ft.), chairs and Wi-Fi should be ordered in advance as soon as possible due to limited availability.

Dealers are assigned spaces on a first-come, first-served basis, **by order of acceptance.**

Dealers must submit their completed, signed contract along with any other applicable documents before sending payment. No space will be reserved without a valid signed contract and confirmed payment.

ALL PAYMENTS MUST BE RECEIVED BY JULY 5, 2026.
After this date, the Dealer's space-s will no longer be guaranteed.

4.2. Dealer Space Details

Dealers must complete their setup before 21:00 on Thursday evening and perform final touch-ups on Friday between 8:00 and 10:00.

Dealer spaces are separated with poles and drapes. All tables provided by the Organizer must be dressed with tablecloths. The Organizer will provide white tablecloths only. We recommended that Dealers bring their own tablecloths to cover their space and goods at the end of each day.

Dealers are free to set up their spaces however they see fit, so long as it does not encroach on other spaces. However, structures in the Dealer's space must be at a reasonable height, structurally sturdy and follow Exhibition Hall regulations.

Dealers using a structural furnish space (such as "pop-ups") must be able to withstand normal contact and vibration due to outside forces, such as impacts from attendees, wind, movement of forklifts, heavy equipment, unintentional contact with cleaners and staff of the Venue, as well as neighbouring Dealers.

The Exhibition Hall has a concrete floor. Dealers are recommended to bring carpeting to cover their floor space for comfort. Carpets must be properly fixed on the ground. The Venue recommends the following tapes: Polyken 105c LPDE or Scapa 274004 or DC-W002A. The use of inappropriate tape to affix the carpet may leave residue on the floor upon removal. Please be sure to remove all traces of the tape from the floor before leaving the venue, otherwise cleaning fees may apply.

Dealers may only erect fixtures on the concrete floor. The use of shelves and racks for products or literature displays must be used with fixtures designed to be free-standing and support a load.

Otakuthon reserves the right to reassign Dealer spaces or require a Dealer to modify their setup without prior notice.

4.3. Dealer Badges

All badges will use RFID for entry and exit at the Venue. When entering and exiting the Venue, be sure to tap in and tap out at the RFID portals.

Badges may be picked up on arrival at the loading docks starting Thursday during setup hours. During opening hours, badges will be available at the Service Desk inside the Exhibition Hall until Sunday 12:00. Government-issued ID and proper company

credentials will be required to pick up your badges.

Dealer badges may not be shared, loaned or sold. If additional badges are required, please contact the Dealers' Area Director at dealers@otakuthon.com. During the Event, additional badges will be available at the price of a regular attendee badge. Lost badges, for whatever reason, can be replaced at the cost of \$20. A valid piece of ID will be required to identify the lost/stolen badge before it can be deactivated. If a new badge must be reissued for whatever other reason, the cost of \$80 will apply. Dealers must wear their badges so they are visible at all times on Venue grounds. No individual or organization will be allowed to sell merchandise or operate a space without a Dealer's badge.

All Dealers must observe the same rules of conduct as regular attendees during the convention in addition to the terms outlined in the Dealers' Contract Regulations and the Dealer Guide.

4.4. Utilities

Electricity, telephony, and internet services may be ordered. Please fill out the request forms directly on the website of the Palais des congrès de Montréal at <https://congresmtl.com/en/services/client-portal/>.

It is highly recommended that requests be submitted as early as possible to benefit from early-bird pricing.

4.6. Refunds & Cancellations

All reservations for spaces are non-refundable.

The Dealer may request a cancellation of their reservation. The Dealer must notify the Organizer as soon as possible, without delay, of their cancellation, via email to dealers@otakuthon.com. However, cancelled reservations remain non-refundable.

In the event of unforeseen circumstances, such as force majeure events, the Organizer may reschedule the Dealer's reservation at the Event a following year. Rescheduling is subject to both parties' availability and the Dealers' acceptance.

Any Dealer space that is unclaimed (not checked in or with no physical presence of the Dealer) by 9:00 on Friday, August 7, 2026, shall be considered abandoned and may be reassigned at Otakuthon's sole discretion, without further notice, compensation or refund. Otakuthon is not responsible for any loss or damage caused by unclaimed or cancelled spaces.

- All Dealers must comply with the Charter of the French Language during the convention. All posters, banners, business cards, postcards or flyers must include French. If multiple languages are displayed, French must prevail over all. For more information about the Charter of the French Language, please refer to this link: <https://www.legisquebec.gouv.qc.ca/en/document/cr/C-11,%20r.%209%20>
- It is strictly forbidden to do any lottery or luck-based transactions that would require a permit from the *Régie des alcools, des courses et des jeux*.
